HOW TO REGISTER

If the club decides to participate in the tournament, the registration fee is **750.00 euros per team**, this amount is deducted from the total.

Once pre-registered, we will mail you the login details (username and password) to keep you updated on all aspects of your participation (No. of players, nights to be booked, colour of 1st team shirt, etc.) on the tournament website.

As and when we have more information on the clubs you are able to check on the website, the categories in which they are enrolled, the type of accommodation chosen, the colour of the 1st team shirts, etc.

FINANCING players assistants* (Free part in the tournament)

The organizer of the tournament split between the teams entered, ballot stubs for a raffle with the aim that each player can auto finance his participation in the tournament.

•Valid only for external devices

OPERATION

When the team is officially registered, they will receive 100 tokens for each child participating in the tournament. The participant is responsible for the distribution, management and profit produced from the sale of the tokens. Each token has a value of 2 € . Therefore each child will be able to obtain up to 200 € in auto finance for his/her trip to the tournament.

SHIPPING

The tournament organizers will send all raffle tickets to the club and the club itself will be responsible for distribution to participants of the club in the tournament. The organization is not responsible for any errors in the distribution of raffle tickets by the clubs.

AWARDS

The holder of the ticket whose number matches the first prize of the National Lottery draw July 15,2023 will be graced with an iPad APPLE Plata (10.2", 32 GB, Chip A12 Bionic) or prize value .
